MESSAGGIO DEL PRESIDENTE DELLA I.A.A.F.
Message from the I.A.A.F. President
Dr. PRIMO NEBIOLO

Larga partecipazione, risultati validi, utili esperienze sul piano scientifico, arricchimento delle relazioni umane: non credo che si possa chiedere di più ad una manifestazione sportiva. Ebbene, tutto questo ci è stato dato quest'anno dai Mondiali Masters, una rassegna che proprio a Roma, città pure non facile agli entusiasmi, è giunta alla sua consacrazione dopo appena cinque edizioni. La IAAF ne prende atto con estrema soddisfazione, avendo da sempre seguito l'attività Masters con attenzione e rispetto, oltre che con simpatia. La grande famiglia dell'atletica si attende molto dai suoi componenti più esperti. Il loro esempio, il loro insegnamento possono essere preziosi per le nuove generazioni.

A Roma, che ospiterà i CAMPIONATI MONDIALI '87, questo messaggio è stato recepito meglio che altrove, in pieno: il "testimone„ ha cambiato mano e già viaggia verso il successo.

A large participation, high level performances, useful experiences by the scientific point of view, enrichment of the human relationship: I think we can't expect more from a sport meeting. Well, all this has been given to us by the VI WORLD VETERANS CHAMPIONSHIPS this year. This meeting has reached here its consecration after five editions only, although Rome isn't a town used to easy enthousiasms. The IAAF takes note of this with extreme satisfaction, having been looking with attention, liking and respect to the Masters activity since the beginning.

The great athletic family expects a lot from its more experienced members. Their example, their teaching can be valued for new generations. Here in Rome, where the '87 WORLD ATHLETIC CHAMPIONSHIPS are going to be held, this message has been fully understood better than elsewhere: now the "baton„ has passed to other hands and is running to the next success.

MESSAGGIO DEL PRESIDENTE DEL COMITATO ORGANIZZATORE
Message from the Organizing Committee President
CESARE BECCALLI

Sono stato felice di ospitare a Roma tanti amici Veterani da tutto il mondo, sono orgoglioso ora di queste parole del Presidente Nebiolo. Credo veramente che ROMA '85 sia stato, oltre che il più grande Campionato nella storia della Wava, una tappa verso una nuova era in collaborazione con la IAAF. I miglioramenti per la nostra attività non tarderanno a mostrarsi, specialmente per ciò che la IAAF potrà fare per quei paesi dove i Masters non potrebbero organizzarsi da soli.

Ringrazio tutti i meravigliosi atleti e i loro familiari che hanno partecipato a ROMA '85 e prometto a loro, come ho già fatto col Presidente NEBIOLO, che farò del mio meglio perchè queste prospettive possano effettivamente realizzarsi.

As I have been happy to be the host in Rome of so many Veteran friends from all over the World, I am also proud now of the words of President NEBIOLO.

I sincerely think that ROME '85 has been, besides the greatest Championships in the Wava story, a very important step towards a new era in cooperation with the IAAF. Improvements will soon arise, particulary for those Countries where a Masters activity could never be organised by itself. I thank all the wonderful athletes and their accompanying persons who took part in ROME '85 and I promise them, as I have promised President NEBIOLO, that I'll do my best for the realisation of such prospects.
